### Hotels at preferential rates for UNIL\_2023

- Some of the hotels on this list offer UNIL preferential rates. They are geographically well located or in the immediate vicinity of public transport.
- There are other hotels in Lausanne (without preferential rates for UNIL). To find out about availability and rates, please contact them directly (e.g. [www.lausanne-tourisme.ch](http://www.lausanne-tourisme.ch) or via booking platforms).
- Some hotels require the UNIL host (and not the guest) to make the reservation in order to benefit from the UNIL/EPFL discount.
